First National Level Technical Symposium - EXPERITZ PROT:2K15 Departments of EEE, CSE & ECE

Chennai, September 16 - The National Level Technical Symposium **EXPERITZ 2K15** was held at PERI Institute of Technology on 16th September 2015. The symposium was organised by the Departments of EEE, ECE and CSE.

Mr.Stanley George, Vice President and Head HR, Hexaware Technologies Ltd., delivered the inaugural address and the students were enlightened by his thought provoking speech. Dr.R.Palson Kennedy, Principal, PERI IT interacted with the participants and insisted them to update their knowledge in current trends and emerging technologies.

The souvenir was released by the Chief Guest and received by all dignitaries. This symposium was a great benefit to young budding engineers to explore their technical knowledge and talents.

Technical events like paper presentation, project demo, circuit debugging, PC Quest, program debugging and coding and non-technical events like Connexions, ADZAP, Robo-rivalry, short film, treasure hunt, Crush the Cones, weird selfie, Mathathon and PC games were organised. Around 1200 students from various leading engineering institutions participated with great enthusiasm in various events and won prizes.

The function came to an end with a vote of thanks from Dr. Nanjundan, Ph.D and the singing of the national anthem.
