Online webinar on Classroom to Construction site “A Practical Approach”

Online webinar on Classroom to Construction site “**A Practical Approach**” was organized on June 5th, 2020 by Department of Civil Engineering, PERI Institute of Technology. **Er. P. VIGNESWARADURAI**, Director & Chief Officer, JP Construction & Consultant, Tamilnadu were invited as Chief Guest for the seminar.

Mr. Syed Abuthagir Asst. Prof organized the event and **Ms. E. Ezhilarasi**, Asst. Prof., welcomed the gathering. She gave a warm welcome to the honorable Chief Guest and the participants. **Around 310 + participants** from various institution and industries were attended the Event. The resource person gave a one and half an hour presentation on the introduction of the behavior of structural elements with practical examples, its significance, and their applications. His lecture was really a valuable gift to our participants. There was an interactive question and answer session following the presentation and the event came to an end with the proposal of vote of thanks by **Mr. D. Praveen**, student coordinator.
