

**DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

**Student Achievements 2024-2025**

| SL.NO | NAME OF THE STUDENT | COURSE                                | TITLE                                    | DATE                  |
|-------|---------------------|---------------------------------------|------------------------------------------|-----------------------|
| 1.    | Indhumathi P        | NPTEL Course                          | Embedded system with ARM                 | January to April 2025 |
| 2.    | Raghul raj          | NPTEL Course                          | Getting started with microsoft excel     | January to April 2025 |
| 3.    | Sanjay S            | Technical Quiz- 3 <sup>rd</sup> Place | Agni College of Technology               | 05/04/2025            |
| 4.    | Sanjay S            | Connections                           | Agni College of Technology               | 05/04/2025            |
| 5.    | Purushothaman P     | Linky Thinky – Ist Place              | Agni College of Technology               | 05/04/2025            |
| 6.    | Purushothaman P     | Quiz Carnival - 2 <sup>nd</sup> Place | Agni College of Technology               | 05/04/2025            |
| 7.    | Naveen Kumar M      | Brain Busters - 2 <sup>nd</sup> Place | Agni College of Technology               | 05/04/2025            |
| 8.    | Sangeetha D         | Circuit Hunt – Ist Place              | Agni College of Technology               | 05/04/2025            |
| 9.    | Sangeetha D         | Brain Buster – 2d Place               | Agni College of Technology               | 05/04/2025            |
| 10.   | Enbarasu E          | Mystix – Ist Place                    | Agni College of Technology               | 05/04/2025            |
| 11.   | Marudheeswaran S    | Mystix – 2nd Place                    | Agni College of Technology               | 05/04/2025            |
| 12.   | Madhumitha S        | Circuit Debug - Winner                | Sri Krishna Engineering College          | 09/04/2025            |
| 13.   | Pravin Raj D        | Circuit Debug - Runner                | Sri Krishna Engineering College          | 09/04/2025            |
| 14.   | Enbarasu E          | Wired Wonders - 2 <sup>nd</sup> Place | Meenakshi Sundarajan Engineering College | 16/04/2025            |
| 15.   | Indhumathi P        | Wired Wonders - 2 <sup>nd</sup> Place | Meenakshi Sundarajan Engineering College | 16/04/2025            |
| 16.   | Sanjay S            | Pictionary - 3 <sup>rd</sup> Place    | Meenakshi Sundarajan Engineering College | 17/04/2025            |
| 17.   | Jayaprathap V       | Pictionary - 3 <sup>rd</sup> Place    | Meenakshi Sundarajan Engineering College | 17/04/2025            |
| 18.   | Easwar M            | Clash Marketing - Runner              | Madha Engineering College                | April'2025            |
| 19.   | Dhanush P           | Ignited Minds -3 <sup>rd</sup> Place  | St.Joseph Institute of Technology        | 2024-2025             |
| 20.   | Santhanalakshmi G   | Just a minute - Winner                | Inspire PERI Leadership Club             | 26/11/2024            |

|     |                     |                                                                     |         |            |
|-----|---------------------|---------------------------------------------------------------------|---------|------------|
| 21. | Kalaimathi P        | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 22. | Malin S             | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 23. | Noorul Famitha A    | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 24. | Sujitha S           | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 25. | Silambarasan S      | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 26. | Aswini V            | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 27. | Hency R             | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 28. | Jasmine Fathima M B | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 29. | Jerin J             | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 30. | Pavithra M          | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 31. | Priscilla N         | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 32. | Rahul E             | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 33. | Rohan Prosper R     | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |
| 34. | Santhanalakshmi G   | ISRO- Materials organized by high energy materials society of India | Seminar | 06/09/2024 |

|     |                   |                                                                     |                                               |            |
|-----|-------------------|---------------------------------------------------------------------|-----------------------------------------------|------------|
| 35. | Sowmya S          | ISRO- Materials organized by high energy materials society of India | Seminar                                       | 06/09/2024 |
| 36. | Swarna T          | ISRO- Materials organized by high energy materials society of India | Seminar                                       | 06/09/2024 |
| 37. | Dinesh B.K        | JIT Machining - 3 <sup>rd</sup> Place                               | Symposium (St.Joseph Institute of Technology) | 31/08/2024 |
| 38. | Nishanth Leelaram | Ignited Minds - 2 <sup>nd</sup> Place                               | Symposium (St.Joseph Institute of Technology) | 31/08/2024 |
| 39. | Dhanush P         | Ignited Minds – 3 <sup>rd</sup> Place                               | Symposium (St.Joseph Institute of Technology) | 31/08/2024 |
