

**DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING**  
**FACULTY ACHIEVEMENT IN YEAR 2022-2023**

| S.No | Name of Faculty      | Title                                       | Course       | Year                     |
|------|----------------------|---------------------------------------------|--------------|--------------------------|
| 1.   | Ms.S.L Sreedevi      | Smart Grid: Basics to Advanced Technologies | NPTEL Course | January to April 2023    |
| 2.   | Mr.R.Tamilamuthan    | Electric Vehicles - Part 1                  | NPTEL Course | February to March 2023   |
| 3.   | Mr. A.Antony Charles | Fundamentals of Semiconductor Devices       | NPTEL Course | January to April 2023    |
| 4.   | Ms.S.L Sreedevi      | Basic Electric Circuits                     | NPTEL Course | July to October 2022     |
| 5.   | Ms.S.L Sreedevi      | Solar Energy Engineering and Technology     | NPTEL Course | July to October 2022     |
| 6.   | Ms.S.L Sreedevi      | Introduction to Smart Grid                  | NPTEL Course | July to September 2022   |
| 7.   | Mr.R.Tamilamuthan    | Basic Electric Circuits                     | NPTEL Course | July to October 2022     |
| 8.   | Mr.R.Tamilamuthan    | Solar Energy Engineering and Technology     | NPTEL Course | July to October 2022     |
| 9.   | Dr.G.Irin Loretta    | Cryptography and Network Security           | NPTEL Course | July to October 2022     |
| 10.  | Ms.M.Himaja          | Biomedical Nanotechnology                   | NPTEL Course | August to September 2022 |
| 11.  | Mr. A.Antony Charles | Solar Energy Engineering and Technology     | NPTEL Course | July to October 2022     |
