SUBASH	CIVIL	Singing

Although academics are important, it doesn't hurt once in a while to go out and have fun and discover new things and learn outside the classroom. These cultural events gave us the opportunities to exactly do so. A big thank you has to be said to the entire faculty and other silent heroes who cooperated and helped us in realizing our hidden talents. At the end of the day we do believe that 'All work and no play make Jack a dull boy'.
