Faculty Development Programme Report of PERIIT (2022-23)

In the academic year 2022-23, 134 Faculty Development Programmes (FDPs), Management Development Programmes (MDPs), and professional training sessions were attended by both teaching and non-teaching staff at PERIIT. These programs covered a range of key areas to keep up with the evolving educational and technological landscape.

- **Technological Training:** Faculty were trained in modern tools like AI, data analytics, and e-learning platforms to improve both in-person and online teaching.
- **Innovative Teaching:** Sessions focused on new teaching methods such as active learning, flipped classrooms, and outcome-based education, enhancing student engagement.
- **Leadership and Administration:** Non-teaching staff and leaders received training in strategic decision-making, resource management, and the use of ERP systems to improve operational efficiency.

These programs helped improve teaching quality, leadership skills, and administrative processes across the institute.

ANNUAL REPORT

ACADEMIC YEAR 2022-2023

11/03/2023

At PERI Institute of Technology, we strive to deliver excellence in education while fostering an environment that encourages research, innovation, and holistic development of our students. The academic year 2022 - 2023 has been a testament to our commitment to achieving these objectives. We have achieved significant milestones across diverse domains such as academics, placements, sports, faculty development, and research. The dedicated efforts of our students, faculty, and staff have once again reinforced our institution's reputation as a leading center for technical education.

This report highlights the key achievements and activities of the institution for the academic year 2022-2023.

Academic Performance

At PERIIT, our emphasis on academic excellence has led to outstanding results in the academic year 2022-2023. Our academic framework integrates theoretical knowledge with practical skills, preparing students to face industry challenges confidently.

- **Percentage of Students Passed Out:** The academic rigor of PERIIT has resulted in a commendable **82.72% pass rate** for the graduating batch. This is a reflection of the focused efforts of both students and faculty in ensuring a comprehensive understanding of their respective fields of study.
- **Percentage of Admissions:** PERIIT continues to attract aspiring engineers and technologists, with **80.05%** of the available seats filled through competitive admissions. This is an indicator of the growing trust in the quality of education provided by our institution.

Research and Innovation

Research is the backbone of innovation and development in any academic institution. At PERIIT, we encourage both students and faculty to engage in research activities that contribute to the advancement of technology and science.

- **Research and Publications:** This year, PERIIT has made significant strides in research with **189 publications** across various national and international journals. These publications encompass cutting-edge topics in engineering, technology, and applied sciences, reflecting our faculty's commitment to knowledge creation and dissemination.
- **Conferences and Symposiums:** PERIIT hosted **3 major conferences/symposiums**, fostering collaboration between academia and industry. These events provided a platform for scholars, researchers, and professionals to exchange ideas, present their findings, and develop partnerships for future research projects.
- PERIIT continues to foster a research-driven culture, encouraging faculty to collaborate with industry and pursue innovative projects. During the academic year 2022-23, the faculty members of PERIIT have secured research grants **totalling ₹14.084 lakhs from various industry partners**. These grants have been allocated to projects that focus on cutting-edge technology, industry-relevant research, and practical problem-solving.

Placements and Industry Interface

PERIIT's strong connection with industry partners ensures that our students are equipped with skills that meet industry expectations. The Placement Cell at PERIIT has been working diligently to secure meaningful employment opportunities for our graduates.

- **Number of Students Placed:** A total of **100 students** from the 2023 graduating batch successfully secured placements in reputed companies. The industries spanned across sectors such as Information Technology, Core Engineering, and Manufacturing, reinforcing the institute's focus on multi-disciplinary training and education.

- **Job Fair Details:** PERIIT organized an extensive **Job Fair**, which attracted over **5230 participants**, out of which **1176 students were successfully placed**. The event saw participation from leading companies, offering a wide range of opportunities in technical and non-technical domains. This placement drive demonstrated the strong employability quotient of our students.
- **MOUs Signed:** This year, the institute signed **4 Memorandum of Understanding (MOU)** with a leading industry partner. This collaboration is expected to enhance student learning through internships, research projects, and hands-on industry experience, ensuring that our students are well-prepared for the demands of the modern workforce.

Co-curricular and Extra-curricular Achievements

At PERIIT, we believe in the holistic development of our students. Participation in sports, cultural events, and other extracurricular activities is strongly encouraged to develop well-rounded individuals.

- **Sports Achievements:** In 2023, our students excelled in sports and represented the institute in various inter-collegiate tournaments. We are proud of their **13 major achievements**, which include winning trophies and medals in athletics, cricket, basketball, and other sports.
- **Number of Events Organized:** To nurture creativity and leadership, the institute organized **6 major events** throughout the year. These events included technical symposiums, cultural fests, and skill-building workshops. They provided students with a platform to showcase their talents, interact with industry experts, and enhance their organizational skills.

Outreach Programs

In the academic year 2022-23, PERIIT demonstrated its commitment to societal development and youth empowerment through various outreach initiatives. Our NSS (National Service Scheme) and YRC (Youth Red Cross) clubs were instrumental in organizing events that impacted local communities and schools.

- **Number of Outreach Events:** PERIIT successfully organized 6 outreach events under the aegis of NSS and YRC.
- **Career Awareness and Guidance:** Through these outreach programs, more than 10,000 school students were addressed. The focus of these events was on career awareness and guidance, helping young students make informed decisions about their future educational and professional paths.

Faculty Achievements

The success of an educational institution is largely driven by the quality and dedication of its faculty. At PERIIT, we take pride in the professional accomplishments and growth of our teaching and non-teaching staff.

- **Workshops and FDPs:** Our teaching and non-teaching staff actively engaged in continuous professional development. A total of **134 Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs** were attended, enabling our faculty to adopt modern teaching methodologies, stay abreast of the latest research trends, and enhance their pedagogical skills.

Strategic Initiatives and Future Plans

In line with our vision to remain at the forefront of technical education, PERIIT has outlined several strategic initiatives for the upcoming academic year:

1. **Enhanced Industry Partnerships:** We aim to strengthen our collaborations with industry leaders to offer more internships, industry projects, and guest lectures for our students.
2. **Focus on Research and Development:** Our goal is to increase the number of funded research projects and patents filed by both faculty and students. We are also looking at establishing more research centers within the institute.
3. **Digital Learning Initiatives:** In response to the evolving educational landscape, we plan to introduce more digital and hybrid learning models. This will include

online certification courses and digital resources for students to enhance their learning experience.

4. **Expansion of Infrastructure:** To accommodate our growing student population, we have planned the expansion of academic and recreational facilities. This will include new laboratories, research centers, and sports complexes.
-

Conclusion

The achievements of PERIIT in 2023 are a testament to the hard work and dedication of our students, faculty, and administrative staff. We remain committed to our mission of delivering world-class technical education and fostering an environment conducive to research, innovation, and personal growth.

Looking ahead, we are confident that PERIIT will continue to build on its strengths and set new benchmarks in academic excellence and holistic development. We thank our stakeholders for their continuous support and look forward to another successful year.
