ABOUT CHANDIGARH UNIVERSITY

Chandigarh University is a leading Indian institution offering its students a unique amalgamation of professional and academic excellence. In the QS Asia Rankings 2022, CU made a remarkable debut and ranked among the top 17th universities of the continent. The university is among the top 5th institutions in India to be accredited with the prestigious A+ grade by the National Assessment and Accreditation Council (NAAC). At Chandigarh University, a wide spectrum of programs, paired with flexibility, experiential learning and interdisciplinary orientation, empowers our students to explore their interests and pursue their dream careers. Here, we are grooming students to be socially sensitive by intellectually challenging them and through our contemporary diverse culture, the University provides a global perspective to facilitate our students with international learning opportunities through partnerships with more than 350+ top ranked universities worldwide. Chandigarh University has a cosmopolitan, friendly and inclusive atmosphere. It provides optimal learning experiences and services that lead to student success. We empower our students to take responsibility for their academic work, social life and career development.

ABOUT C.S.E. DEPARTMENT

The Department of Computer Science & Engineering at Chandigarh University commenced with a mission to become a 'Center of Excellence' that facilitates high-end research and parishes industry challenges and raise computer science engineers with high technical competencies. Highest Number of Placements in Top MNCs (Microsoft, Amazon, HPE, IBM etc.) Highest Number of In-house Industry-Sponsored Labs for Hands-on Exposure (Microsoft Innovation Centre, IBM Software Lab, Virtus Robotics & Automation Center, HP Center of Excellence & many more). Guided by Professionally Trained Faculty & Industry Experts via use of Latest Teaching Aids and Live Projects.

PROGRAM OBJECTIVE

- To support faculty, to enhance their knowledge in the domain of Research.
- To acquainting the faculty and research scholars to familiarize with the research essentials and recent trends in the domain of computer science.
- To understand research ethics to invent and promote research interests.
- To learn the tips and tools to dive in the depth of Research.

PROGRAM OUTCOMES

- To support faculty and researchers to expertise in research domain and qualitatively contribute for supporting research activities.
- To gain up to date knowledge of current research possibilities.
- To understand the ethics of research, patents etc. and support researchers by making them aware of various tools and techniques used in research domain.

SPEAKERS FOR FDP

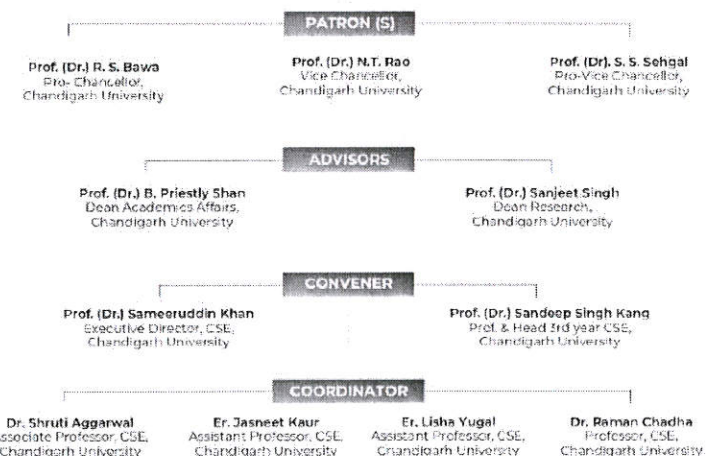

Speakers from eminent Government organization, National and International Academic Institutions, And Industries will be delivering talk on the thrust area.

Faculty Development Programme Report of PERIIT (2021-22)

During the academic year 2021-22, a total of 109 Faculty Development Programmes (FDPs), Management Development Programmes (MDPs), and professional development/administrative training sessions were undertaken by both the teaching and non-teaching personnel of PERIIT. These programs encompassed a wide array of disciplines, designed to align with the ever-advancing technological landscape and the evolving requirements of academic and administrative excellence.

The FDPs and MDPs were strategically structured to address key areas such as:

- **Technological Integration:** Training sessions focused on cutting-edge advancements in digital tools, artificial intelligence, data analytics, and e-learning platforms, aimed at equipping faculty with the skills to enhance both physical and virtual classroom environments.
- **Innovative Pedagogy:** The pedagogical development sessions explored advanced teaching methodologies, including active learning strategies, flipped classrooms, and outcome-based education (OBE), enabling faculty to adopt learner-centric approaches and foster deeper student engagement.
- **Administrative Efficiency and Leadership:** The MDPs targeted leadership development, focusing on strategic decision-making, resource management, and institutional governance.

ANNUAL REPORT

ACADEMIC YEAR 2021 – 2022

13/04/2022

At PERI Institute of Technology, our core mission is to impart world-class technical education, foster research and innovation, and promote the holistic development of our students. The academic year 2021-22 has seen substantial progress in all spheres, reaffirming our commitment to excellence. From academic achievements and research outputs to sports, placements, and outreach programs, our institute has made significant strides toward creating a robust educational ecosystem.

This report highlights the key achievements, activities, and initiatives undertaken during the academic year 2021-22, reflecting our sustained focus on empowering our students and contributing to society.

Academic Performance

The academic strength of PERIIT is reflected in our students' performance, which has consistently been exceptional.

- **Percentage of Students Passed Out:** This academic year, **85.42%** of our students successfully graduated, demonstrating their hard work, dedication, and the effectiveness of the teaching-learning process. This figure stands as a testament to the rigorous academic framework and the continuous guidance provided by our experienced faculty members.
- **Percentage of Admissions:** With **79.48%** of the total intake capacity filled, PERIIT continues to attract a high number of applicants, indicating growing trust in the quality of education and the overall academic environment provided by the institution.

- **NAAC Accreditation:** PERIIT successfully received **NAAC accreditation** in 2021, a significant milestone that reaffirms our commitment to maintaining high standards in academic quality, infrastructure, and student support services. This recognition highlights our continuous efforts to provide excellence in education and institutional growth.

Research, Publications, and Faculty Development

Research and innovation are essential pillars of our academic mission. The active involvement of faculty in research and their continuous upskilling through professional development programs have been noteworthy during the academic year 2021-22.

- **Research and Publications:** The faculty members of PERIIT produced **53 publications** in various national and international journals, covering topics that push the boundaries of engineering, technology, and applied sciences. These publications reflect the dedication of our academic community toward advancing knowledge and contributing to the global academic discourse.
- **Conferences and Symposiums:** PERIIT organized a **conference** during the academic year, providing a platform for researchers, professionals, and students to exchange ideas, present findings, and foster collaborations. This event demonstrated the institute's active engagement in the academic community and its commitment to staying ahead in emerging fields of technology.
- **Faculty Development Programs (FDPs) and Workshops:** To ensure that our faculty remains at the cutting edge of teaching methodologies and technical skills, they participated in **109 Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs**. These programs are crucial for updating the faculty's knowledge and incorporating

new teaching techniques, enhancing the overall academic delivery at PERIIT.

Industry Collaborations and Research Grants

Strong collaborations with industry partners have been a key factor in enhancing research and development at PERIIT.

- **Research Grants:** Faculty members secured **₹5.8 lakhs** in research grants from various industries, enabling them to pursue cutting-edge research in areas of practical importance. These grants underline the industry's trust in our faculty's research capabilities and support the creation of industry-relevant innovations.
- **MOUs Signed:** PERIIT entered into **14 Memoranda of Understanding (MOUs)** with leading industries and academic institutions. These MOUs aim to strengthen partnerships in areas such as student internships, industry projects, joint research, and faculty exchange programs, fostering a greater alignment between academic outputs and industry needs.

Placements and Job Fair

Our Placement Cell has been relentless in its efforts to provide our students with career opportunities that match their skills and aspirations.

- **Number of Students Placed:** In the academic year 2021-22, **178 students** secured employment in reputed organizations across diverse sectors such as Information Technology, Manufacturing, Engineering, and Core Technical roles. This high placement rate is a result of the rigorous training and professional development programs provided to our students.
- **Job Fair Details:** PERIIT organized a large-scale **Job Fair**, which saw participation from over **7,134 students** and **1,144 placements** secured. This event attracted a wide range of top-tier companies, offering positions across different domains. The success of the job fair emphasizes PERIIT's

strong industry interface and its commitment to enhancing the employability of its students.

Co-curricular and Extra-curricular Activities

PERIIT believes in the overall development of its students, encouraging them to participate in various co-curricular and extra-curricular activities.

- **Sports Achievements:** Our students excelled in sports, achieving **12 notable accolades** in inter-collegiate sports competitions. The institution supports and encourages participation in various sports activities, recognizing their importance in fostering discipline, teamwork, and leadership qualities.
- **Number of Events Organized:** To nurture creativity, leadership, and technical skills, PERIIT organized **5 major events** throughout the academic year. These events included technical symposiums, cultural festivals, and skill development workshops. They served as a platform for students to showcase their talents, learn from industry experts, and enhance their practical knowledge.

Outreach Activities and Social Responsibility

PERIIT is deeply committed to its social responsibilities and has been actively involved in outreach programs through our NSS (National Service Scheme) and YRC (Youth Red Cross) clubs.

- **Number of Outreach Activities:** A total of **18 outreach activities** were conducted during the year, including awareness drives, community service initiatives, and educational programs. These activities impacted a large number of individuals and communities, demonstrating PERIIT's commitment to giving back to society.
- **Career Guidance and Awareness Programs:** Through these outreach initiatives, PERIIT addressed more than **14,000 school students**, providing

valuable career awareness and guidance. These sessions helped young students in schools make informed decisions about their future educational and career paths.

Future Initiatives and Strategic Goals

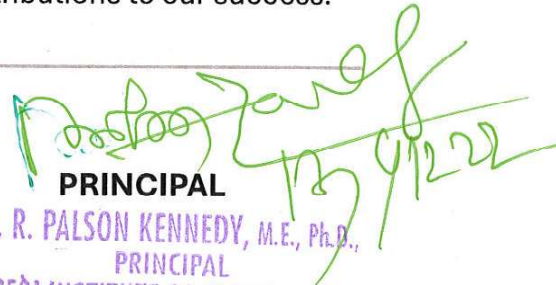

As we look to the future, PERIIT is committed to furthering its mission of excellence in education, research, and societal impact. We have outlined several key initiatives for the coming academic year:

- 1. Expansion of Research and Innovation:** PERIIT aims to increase the number of funded research projects and foster a greater culture of innovation among students and faculty alike. We are also focusing on establishing more research centers in cutting-edge areas such as Artificial Intelligence, Data Science, and Renewable Energy.
- 2. Infrastructure Development:** The expansion of academic infrastructure, including the development of new laboratories, research facilities, and recreational spaces, is a key priority. This will enhance the learning environment and provide students with state-of-the-art facilities.

Conclusion

The academic year 2021-22 has been one of significant achievement and growth for PERIIT. Through a combination of academic excellence, industry collaboration, research advancements, and societal contributions, we continue to build on our legacy of shaping the next generation of engineers and technologists.

As we move forward, PERIIT remains dedicated to its vision of providing world-class education and making a meaningful impact in the academic and professional lives of our students. We thank our faculty, students, staff, and industry partners for their continued support and contributions to our success.
