

Criteria 6

Governance, Leadership and Management

6.3.3 Number of professional development / administrative training programs organized by the institution for teaching and non-teaching staff during the year.

6.3.3.1 - Total Number of teaching and non-teaching staff participating in Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs during the last five years.

6.3.3.2 - Total number of non-teaching staff year wise during the last five years.

6.3.3.1 - Total Number of teaching and non-teaching staff participating in Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs during the last five years.

SL.NO.	YEAR	NUMBER OF CERTIFICATES	PAGE NO.
1	2022-2023	134	1 - 140
2	2021-2022	109	1 - 116
3	2020-2021	86	1 - 89
4	2019-2020	224	1 - 234
5	2018-2019	92	1 - 97

6.3.3.2 - Total number of non-teaching staff year wise during the last five years.

SL.NO.	YEAR	NUMBER OF CERTIFICATES	PAGE NO.
1	2022-2023	7	142-148
2	2021-2022	6	118-123
3	2020-2021	9	91-99
4	2019-2020	9	236-244
5	2018-2019	13	99-111

Total Number of teaching and non-teaching staff participating in Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs during 2020 – 2021.

Year	Name of the participant	Title of the FDP /MDP/ professional development / administrative training program

ABOUT APSIT

A. P. Shah Institute of Technology (APSIT), Thane is a self-financed AICTE approved engineering college with all courses accredited by the National Board of Accreditation (NBA). It was established in the year 2014 under the aegis of Parshvanath Charitable Trust. The institute offers Under Graduate course in Civil Engineering, Computer Engineering, Information Technology, Electronics and Telecommunication Engineering and Mechanical Engineering. (APSIT) has started functioning with commitment of imparting state of art technical education so as to inculcate conceptual know-how, analyzing skills, decision making abilities and leadership qualities in the students. APSIT stands committed for the holistic growth of every student.

DEPARTMENT OF CIVIL ENGINEERING

The Department of Civil Engineering was established in 2015-16 offering B.E program. The current student intake of the department is 120. The department got NBA accredited in the year 2020. The state of the art facilities and advanced computational resources are available in the department, for integrating education and research. The department has experienced and highly qualified faculty members to provide an excellent environment for academic and research. The laboratories are equipped with modern equipment and classrooms are provided with smartclass facility. The department offers numerous Value Addition Programmes as a part of Institute Project Based Learning Initiative

ABOUT US

Civil engineering is a professional engineering discipline that deals with the design, construction, and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams, and buildings. Today, Civil Engineering, added to the above mentioned fields, we do concentrate on analyzing the effects of deterioration of infrastructural elements, considering interdependencies and evaluating life-cycle impacts while considering environmental and economic sustainability within the context of a society.

DEPARTMENT VISION

To educate the new generation civil engineers to meet the future technological needs by imparting sound technical knowledge and to improve professional leadership and management quality in public service.

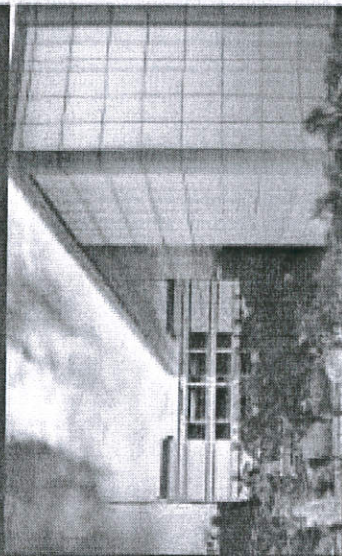

DEPARTMENT MISSION

- To enhance and enrich the technical knowledge in civil engineering through teaching-learning process.
- To educate the student's about the significance of professional and ethical practices.
- To facilitate the understanding and implementation of innovative ideas through research and development.
- To develop personal competence among students which will improve their entrepreneurial and managerial skills.

Faculty Development Programme Report of PERIIT (2020-21)

In the academic year 2020-21, 86 Faculty Development Programmes (FDPs), Management Development Programmes (MDPs), and other professional development/administrative training sessions were attended by both teaching and non-teaching staff members of PERIIT. These programs were designed to cater to a broad range of disciplines, focusing on the latest technological advancements, innovative pedagogical practices, and essential administrative and leadership skills.

With the educational landscape rapidly evolving, particularly in the wake of the global pandemic, several of these sessions were conducted virtually, allowing faculty and staff to participate in high-quality training remotely. These virtual FDPs were instrumental in helping faculty members adapt to the new demands of online and blended teaching environments, making effective use of digital tools and e-learning platforms.

ANNUAL REPORT

ACADEMIC YEAR 2020-2021

26/02/2021

At I am pleased to present the Annual Report for the academic year 2020-21 of PERI Institute of Technology (PERIIT). This year has been a testament to our resilience and dedication in maintaining academic excellence amidst unprecedented global challenges. Despite the constraints posed by the pandemic, our faculty and students adapted swiftly, ensuring the continuity of education, research, and professional development.

This report highlights the key accomplishments in academic performance, research, industry collaboration, placements, and community engagement. As we move forward, PERIIT remains committed to fostering an environment that encourages innovation, academic excellence, and societal impact.

Academic Performance

The academic performance of PERIIT remains a point of pride, with our students achieving outstanding results even in challenging times.

- **Percentage of Students Passed Out:** In the 2020-21 academic year, **96.95%** of the students successfully graduated, showcasing their determination and the strong support from faculty members. This high pass rate is indicative of the robust academic framework and personalized mentoring provided by the institution.
 - **Percentage of Admissions:** The percentage of admissions for the academic year stood at **43.48%**. While the lower admission rate reflects the challenges posed by the pandemic and market conditions, we are committed to enhancing our outreach and marketing strategies to attract more students in the coming years.
-

Research and Faculty Development

Despite the limitations imposed by the pandemic, PERIIT's focus on research and professional development remained unwavering.

- **Research and Publications:** Faculty members produced **26 research papers** published in national and international journals. These contributions to the academic community highlight our institution's focus on fostering a research-driven culture, ensuring that faculty remain engaged in exploring new ideas and technologies.
- **Faculty Development Programs (FDPs) and Workshops:** To ensure that our faculty is equipped with the latest teaching methodologies and industry-relevant knowledge, **86 Faculty development Programmes (FDP), Management Development Programmes (MDPs) professional development /administrative training programs** were attended by faculty members. These programs enabled our faculty to stay updated on emerging trends and enhance their pedagogical practices.

Placements and Job Opportunities

The Placement Cell at PERIIT has continued to work diligently, ensuring that our students are provided with ample opportunities for career advancement, even in a challenging job market.

- **Number of Students Placed:** A total of **181 students** were placed in various prestigious organizations. This achievement is a reflection of the high caliber of our students and the effectiveness of our career training programs.
 - **Job Fair Details:** Due to the ongoing pandemic, no job fair was organized during the academic year 2020-21. However, we focused on conducting virtual placement drives and interviews to ensure that students had access to career opportunities.
-

Co-curricular and Extra-curricular Achievements

While the pandemic restricted physical events and sports activities, our students continued to excel in various domains through virtual platforms.

- **Sports Achievements:** Our students achieved **2 notable sports achievements**, demonstrating their determination and perseverance even in a year where physical participation was limited.
 - **Number of Events Organized:** Despite the challenges posed by COVID-19, PERIIT organized **3 virtual events**, ensuring that students remained engaged and connected with the academic community. These events included webinars, virtual competitions, and cultural programs that fostered student engagement and skill development.
-

Outreach and Social Responsibility

PERIIT has always placed a strong emphasis on giving back to society, and the 2020-21 academic year was no exception.

- **Number of Outreach Activities:** Through the collective efforts of our NSS and YRC clubs, PERIIT conducted **15 outreach activities** during the year. These initiatives focused on community health, education awareness, and COVID-19 relief efforts, demonstrating our commitment to social responsibility.
-

Industry Collaborations and MOUs

To bridge the gap between academia and industry, PERIIT continued to build strong industry relationships.

- **MOUs Signed:** The institution signed **3 Memoranda of Understanding (MOUs)** with leading industry partners during the academic year. These MOUs aim to enhance student internships, joint research projects, and faculty-industry collaborations, providing our students with a competitive edge in the job market.
-

Conclusion

The academic year 2020-21 has been a challenging yet productive year for PERIIT. Our students and faculty have demonstrated remarkable resilience, and the institution has continued to make strides in research, placements, and community outreach. We remain committed to our mission of providing world-class education and preparing our students to excel in their chosen fields.

I extend my sincere gratitude to the entire PERIIT community for their hard work, adaptability, and contributions to making this year a success. As we move forward, I am confident that we will continue to thrive and uphold our reputation as a leading institution in technical education.
