MINUTES OF MEETING

Date: 21.01.2023

The following points were discussed during the IQAC regular meeting for the academic year 2022-23 even semester on 00.00.2023.

Review of minutes of previous IQAC meeting

The minutes of previous IQAC meeting in academic year 2022-23 odd semester was reviewed. Mr. B. Magesh, IQAC Head Coordinator, briefed the action taken on the points discussed in the previous meeting. The level of implementation and feedback of the same was reviewed by the Dr. R. Palson Kennedy, Principal - PERIIT.

Reforms in daily Test and Assignment

A revised pattern of daily test and assignment was proposed by IQAC Head Coordinator. Question bank format was discussed and finalized.

For each unit,

Part A – 25 questions

13 questions from first half of each unit

12 questions from second half of each unit

Part B – 15 questions

8 questions from first half of each unit

7 questions from second half of each unit

It was decided to have only daily test and no assignment. Two application-oriented assignments of higher order involving practical learning, project-based learning, has to be given to students.

The following question pattern was discussed and decided for the daily test for a total of 50 marks:

Part A – 7 questions = $7 \times 2 = 14$ marks

Part B – 3 questions = $3 \times 12 = 36$ marks

It was suggested different set questions (Set A and Set B) have to be given to students for reducing the malpractice in the daily test. The question bank has to be given to all the students before the start of first daily test.

It was planned to conduct 10 tests for every course and the schedule of the same has to be incorporated into the academic calendar.

Also, it was decided that the test notes should be submitted daily after correction for IQAC audit. The test notes will be checked daily by the IQAC for verifying the effective implementation of the revised test plan.

It was also proposed that the IQAC can announce on the day of test, the serial number of part A and part B questions that has to be given for the test through the PERIIT TL Compliance group.

- d. To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein
- e. To jointly propose and engage in research or training programmes sponsored by funding agencies and to invite each other's faculty to participate therein
- f. To exchange on a reciprocal basis, students at Undergraduate, Graduate and Doctoral levels for limited periods of time for purpose of education and /or research.

PERIIT and UNAIR further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

B. Joint Sponsored Research, Development and Consulting

PERIIT and UNAIR agree to help identify and invite faculty members from the other institution to participate in research or development programmes. The terms and conditions for such participation will be worked out by mutual agreement between PERIIT and UNAIR.

C. Exchange of Faculty, Scientists and Staff

PERIIT and UNAIR agree to encourage collaboration between faculty and scientists from the two institutions. Specifically, institutions will encourage members of their faculties to undertake short visits to, or take up fixed-term visiting assignments at each other's institution as per the existing norms.

D. Student Exchange

PERIIT and UNAIR agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full-time student, and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a pre-determined programme of study or research.

- a. Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b. His/her programme of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.

- c. The host institution will evaluate an exchange student's performance in each course or module, award a letter grade or marks, and issue a letter to that effect.
- d. The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a-vis those offered at the home institution.
- e. If an exchange student has undertaken research, then the host institution will evaluate the exchange student's performance in the research, and issue a letter to that effect, together with a technical "report" of the research carried out by the student.
- f. If an exchange student has undertaken research, then the home institution will take note of the performance evaluation and the technical report, and take steps in accordance with its own procedures.
- g. To avail travel expenses, students can apply for existing funding programs at their respective home universities.
- h. The exchange students will pay tuition and other fees at their home institution.

E. Exchange of Scientific and Technical Material

PERIIT and UNAIR will exchange information on research and educational programmes and teaching/learning material and other literature relevant to their educational and research programmes. Further, PERIIT and UNAIR agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

F. Joint Conferences, workshops and short-term courses

PERIIT and UNAIR agree to help identify and invite faculty members from the other institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between PERIIT and UNAIR.

G. Intellectual Property

PERIIT and UNAIR agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative research or activity under this MOA will be worked out on a case-by-case basis, and will be consistent with the officially laid down IPR policies of the two institutions.

H. Co-ordination

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf. Further, a coordination committee, consisting of (a) Principal, PERIIT, or his/her nominee, (b) Dean, UNAIR, or his/her nominee, (c) Programme coordinator from the side of PERIIT, and (d) Programme Coordinator from the side of UNAIR, will periodically review and identify ways to strengthen cooperation between the two institutions.

I. Tenure and Termination

This MOA will take effect from the date it is signed by representatives of the two institutions. It will remain valid for five years, and may be continued thereafter after suitable review and agreement. Either institution may terminate the MOA by giving written notice to the other institution six months in advance. Once terminated, neither PERIIT nor UNAIR will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, PERIIT and UNAIR will ensure that all activities in progress are allowed to complete successfully.

J. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, Principal, PERIIT and Dean, UNAIR will jointly resolve the dispute in a spirit of independence, mutual respect and shared responsibility.

This Memorandum of Agreement is made and signed in identical copies in English and Bahasa Indonesia, as well as any other languages mutually agreed upon by the Parties, by the authorised representative of each university, all texts being equally authentic. In the event of any divergence of interpretation between any of the texts, the English text shall prevail.
