**Final Year Project at “INDIAN SPACE RESEARCH ORGANISATION” for the
Academic year 2018-2019**

Hearty congratulation to the following students of 2018- 2019 batch who got selected to do their final year curriculum project in “**Indian Space Research Organization (ISRO)**”. This provides an opportunity to the students to work on an open ended problem which is typically different from other Engineering projects. The students will get an ability to function on multi disciplinary teams and also they will understand the professional and ethical responsibility.

Students Name:

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Final Year Project at “INDIAN SPACE RESEARCH ORGANISATION”

The department of Computer Science and Engineering took immense effort to take the students to “Indian Space Research Organization” to do their final year curriculum project in order to provide them an opportunity to understand practical aspects of the theoretical knowledge gained in the class rooms. Four of our final year Computer Science and Engineering students **Mr.N.Mohammed Waseem Ebrahim, Mr.M.Sriram, Mr.T.R.Sudharsan and Mr.M.Surendar** have completed their project titled “ **Student Geographical Information System**” during the period January 2018 to March 2018 at “ **National Remote Sensing Centre, Hyderabad**”. Our Appreciation and Best wishes to all the team members.
