

ANNUAL REPORT

Chief Guest of the Graduation Day Honourable Registrar Dr. S. Ganesan. Anna University, most respected Chairman of this Institution, Mr. Sarav Periasamy, respected Managing Director, Mr. Periasamy, beloved Chief Operating Officer, Mr. Sasi Kumar Veerarajan, Heads of various Departments, Staff Members, Parents, Dear Students, Members of Press and Invitees of the function, a pleasant morning to one and all.

It is a moment of great privilege & honor for me to extend a hearty welcome to each one of you on behalf of PERI IT. I would like to thank Registrar Dr. S. Ganesan, Anna University, Chennai for accepting our invitation and coming over here amidst his busy schedule. I whole heartedly welcome you sir! I welcome our dynamic Chairman for his presence on this precious occasion of our 3rd Graduation day. I welcome you sir! And also I would like to welcome our Managing Director and Chief Operating Officer for this great day. In a short span of time if I forget to mention any one of you again I extend my hearty welcome to all of you for your gracious presence here.

It is my pleasure to present the Annual Report of our Institution on this grand occasion.

Today PERI Institute of Technology is celebrating its 3rd Graduation Day. Staff and Students of our college are blessed & honored by the presence of our chief guest, Dr. S. Ganesan, Registrar, Anna University. I would like to go further to add this day as a red letter day in the history of PERI.

PERI Institute of Technology was established in the year 2010 and it is in its 8th year of service in providing value - based quality technical education. Mr. Sarav Periasamy, the Founder and Chairman of this Institution is the inspiration and guiding

light for the progress and development of the institution. His relentless effort for the past 8 years has ensured strengthening the various facets of the Institution and becoming a well known institution of reputation in a short span of time. It is heartening to note that over this period, we have been able to impart quality education despite serious limitations of finance & faculty resource. The progress of an educational institution rests on committed faculty members and staff, supportive administration, quality infrastructure, large pool of learning resources and responsive students. I hope that academic environment will improve substantially with this augmentation

At present the college offers 5 Under Graduate & 4 Post Graduate programs

The Management takes utmost care in ensuring a good learning ambience for the students through Air Conditioned Classrooms and Air Conditioned Buses and providing the necessary infrastructure.

The labs have facilities to cater all the requirements of today's industrial needs. The institution regularly incorporates such advancements into the lab systems to enhance the practical skills and to achieve the best performance possible by the students. Our institution boasts a vast library with more than 14,000 volumes books and fine collection of rare titles. The special ambience in the Library creates an elegant, peace-filled space to study. National and International journals are available in printed and digital form. The library is currently in the process of digitizing unique materials and collections in order to make them available to users at all times.

Our college has comprehensive hostel facilities for the students separately for boys and girls, accommodating more than 400 students.

POWER BACK UP is available for the entire campus for 24*7. We will always strive hard to maintain its reputation and improve upon it in the future.

In addition to building strong academic records of students, the management is also concerned about the development of soft skills in students. In regard to this we provide placement training program from the very First Semester and it is continued

till the student gets placed towards the end of the course. Moreover sessions on few value added courses have been arranged to enhance the employability of students and to become leaders in knowledge driven professions.

The placement cell of our college regularly organizes placement drives for the placement of final year students of all streams. Forty three companies came & conducted placement drive at our campus this year and 250 students got placed.

It is worthwhile to note that ,like highly rated institutions some of our students ,after completing their B.E Programs have landed up in best universities and colleges, like IIT's NIT's, IIM's etc. within India and reputed universities of USA, UK and Australia and shaped their career.

It is a matter of pride and satisfaction that some our students are the best in the university V.Kavitha, M.E-CSE ranked 33rd university rank, V.Keshiya, M.E-CSE - 36th University rank & S. Hariharan B. E-Mech placed 46th University rank. In A/M2016 AU exams .

This College is unique in a way, as it has taken a new step ,and lead in recognizing emerging talents, and awarding certificates and cash prizes for meritorious students, in addition to the existing set of scholarships. These awards are in the following categories:-

- a. Toppers Award based on semester result(s) &
- b. Merit Award based on performance of previous academic year
- c. Merit Scholarship based on +2 Marks ,D. Sports scholarship etc

Each & every department Conducts Workshops, Seminars, Guest lectures regularly. It also conduct's Inter college project Expo in which n number of students participates & exhibits their talents. I am sure this small step initiated in this college,

will encourage positive and healthy competition, amongst you and will improve the quality of education and learning

Considering Co-curricular activities as important as academics, all the departments have inaugurated their association in the very beginning itself and organizes symposiums , seminars and industrial visits through their associations. Our students excels in sports & yoga competitions by wining in state & National level events.

Our college students actively take part and have won prizes in paper presentations and technical events conducted by various colleges. Many of our post graduate students have published their research work in various national and international journals.

The management considers the faculty of PERI as its core strength in its development. Few noteworthy on this are

- Faculty members are encouraged to attend faculty development program every year.
- The management constantly supports and encourages the faculty members in doing their research work. At present 12 of our faculty members are pursuing PhD program and out of which three of them are in submission stage.
- More than 16 research papers have been published by our faculty members in reputed National and International journals during this academic year.
- Faculty Members of PERI Institute of Technology are tireless learners, working at the frontiers of their field and sharing their knowledge with students.

The Institute aspires to be a centre of excellence in its areas of specialization. The assets of the Institute include a team of full-time dedicated qualified faculty members in the relevant branches of engineering, a well-developed

central library, an upgraded computer centre, a sprawling workshop complex, a state-of-the-art English Communication Skill Development Lab., and several well developed Computer, Electronics, Electrical, Civil & Mechanical laboratories.

It gives me great pleasure to acknowledge the dynamic leadership of Shri Sarav Periasamy and the managing trust members. By your hard work and by dedication to maintain high standards, you earned your degrees and awards. It is a moment of pride for you, as much as it is for your teachers, parents and those who had any part in shaping your life so far., I am sure that each one of you has different dreams, but surely you should never give up your dreams and aspirations, for it is those aspirations that will drive you to higher levels of achievements and make your life purposeful.

Dear Graduands, as you fly into this world, uphold integrity in whatever you do, put hard work and sincerity as your hallmark and take the light of Love around the world. You are entering into a challenging world fuelled by digital revolution. Graduation Day is not an end of your study, learning is a continuous process and it is a stepping stone to achieve success and more towards the goal. Moreover you would be the third batch to become our alumni and spread the wave of PERI IT and guide your juniors in their genuine needs.

Finally, I would like to remind you that, you are among a few fortunate persons who had access to educational experience at this renowned institution.

Remember that noble values of caring and sharing, of service and sacrifice has kept our society, away from dangers of extinction, and made it vibrant at all times. As inheritors of a society, which blossomed up great values for life, and a deep concern for human development, you should intensely aspire for deepening and broadening your knowledge, learn to experience the power of collective team work, and always be guided by higher values which you believe in. At this juncture I say Few quotes of swami Vivekananda 1.Talk to yourself at least once in a Day. Otherwise you may miss a meeting with an EXCELLENT person in this World.2. Arise! Awake! and

stop not until the goal is reached.3.Take risks in your life, If you win you can lead, if you loose you can guide.

Dr. Kalam's quotes as follows **You cannot Change your FUTURE, but you can change your HABITS. And Surely your HABITS will change your FUTURE.**

Our(PERI) doors are always kept open for you and looking forward to seeing all of you in leading corporate, fulfilling social responsibilities and building our nation strong. **All the best to all of you in your future endeavors.**

Thank you.

5. DELIVERY OF THE GRADUATION ADDRESS

a. The Principal will say:

"I invite the Chief Guest Dr. S. Ganesan, Registrar, Anna University , Chennai to address the candidates".

b. The Chief Guest will deliver the Graduation Address.

GRADUATION DAY ADDRESS

Respected Founder and chairman of Peri Institute of Technology, Shri Saravanan Periasamy, Learned Principal of the Institute Dr.R.Palson Kennedy, the COO Shri Sasi Veerarajan, Trustees of Peri Educational Trust, Members of the faculty , dear young graudands, parents and invitees.

At the outset, I express my sincere thanks to chairman and other organizers of this 3rd Graduation day, for giving me an opportunity to participate and share some of my thoughts. I congratulate all the new graduates in the field of engineering and wish all of you to have a bright future and meaningful life.

Friends, you are fortunate to have completed your respective courses in one of the best institutions in the field of engineering and technology. I am happy to note that consistently in these years your institution is able to provide 100% placement to the young graduates. The respected chairman of this institution who is himself a sophisticated technocrat owning Peri Software Solutions Pvt . Ltd and having contact worldwide in the field of technology and his efforts are the sole reason for this achievement . Apart from providing 100 % placement, the chairman is able to furnish nearly 5000 job opportunities to the graduates from other institutions.

Looking these bright enthusiastic young graduates I feel that the future of the country is safe in your hands. Our country needs knowledged engineers like you all. This is the age of discovery and dreams when you dream you dream not only for your good future but also for the good future of the nation and entire society.

“ We cannot become what we need to be , by remaining what we are” So my dear graduates work hard and develop your skills to compete with the rapid change in the environment. I also encourage the graduates to focus towards research to create new techniques in your domain that will result in the development of R & D.

I wish you all a happy and peaceful life.

Thank you

6. PRESENTATION OF CANDIDATES

Principal:

a. “Let the candidates be now presented by the HoDs.”

b. The Heads of the Departments will now read the list of Graduates of their department, one by one. The Principal will hand over the Certificates to the Chief Guest.

The HOD of _____ (Department name) will say-

c. "Respected Sir, -
I present unto you the candidates in person in the Department
of_____ (Department Name) who have been certified after
examination to be duly qualified to receive the degrees of Anna
University."

PERI INSTITUTE OF TECHNOLOGY

MANNIVAKKAM, CHENNAI-48
